

-ALABAMA DAY NET PREAMBLE -

Calling the Alabama Day Net. This is amateur radio station _____ located in _____ county. My name is _____ and I will be your net control station today.

The Alabama Day Net is a section net in the ARRL National Traffic System and is a directed net. This net meets daily at 7:30 AM local time on 3.965 MHz.

You do not have to be a member of this net to participate. All stations are welcome.

At this time are there any stations with emergency or priority traffic only?

Is there a station that will serve as the Region 5 net liaison today?

Is there a station that will serve as our liaison to the M net today?

Does any station have formal written traffic to list, call now.

Does any station have business or announcements for the net? Does any station have informal traffic?

Review any early check ins

The net will now take check-ins from any additional stations with or without traffic.

Conduct the net

Is there anything this net can do for anyone before we close?

Thanks to everyone for your participation in the net today. 73 and you may secure. At _____ AM this session of the Alabama Day Net is closed and this frequency is now available for regular amateur use.

This is _____ Clear.
